"Your Prescription To Better Health"

WE NOW HAVE AVAILABLE LOW COST ALTERNATIVE TO VIAGRA TABLETS!

Sildenafil, the active ingredient in Viagra®, is now available in a generic 20mg tablet, and it is MUCH cheaper than Viagra®.

Ex: Five 20mg tablets of Sildenafil is equivalent to one 100mg Viagra®.

Price: 50 Sildenafil 20mg (ten 100mg doses) **\$100*** VS. \$400 for ten Viagra® 100mg.

Note: This is the FDA approved generic of Revatio® 20mg tablet. The FDA has not approved generic Viagra®, even though the active ingredient is identical, just in a different strength.

It is Colonia Natural Pharmacy's desire to assist you in reducing your patient's cost and increasing their ability to pay for their ED medication.

We **CANNOT** substitute any prescription (or refill) written for Viagra® without a phone call to the prescriber to get authorization for the following New Rx:

Rx Sildenafil 20mg #50 - Take 2-5 tablets as needed for sexual activity

Going forward, just be sure to write all new Rxs for Sildenafil 20mg in the format above.

*As with most generics, Colonia Natural Pharmacy offers great prices based on our acquisition cost. We have no control over our competitor's prices, or if they are even stocking this new generic.

Prescribers: You can phone, fax, or EScript the prescription to Colonia Natural Pharmacy. We are in all the EMR systems and the only Colonia Natural Pharmacy, located in New Jersey. Once we receive the Rx, we will call your patient, verify their information and collect payment. All packages are shipped priority mail and received within three business days.
